Notice of Voter-Approval Rate: The highest tax rate the district can adopt before requiring voter approval at an election is 0.7820. This election will be automatically held
(school voter-approval rate)
if the district adopts a rate in excess of the voter-approval rate of 0.7820.
(school voter-approval rate)

Fund Balances

The following estimated balances will remain at the end of the current fiscal year and are not encumbered with or by a corresponding debt obligation, less estimated funds necessary for operating the district before receipt of the first state aid payment:

Maintenance and Operations Fund Balance(s)	\$ 1,150,000
Interest and Sinking Fund Balance(s)	\$ 390,000

A school district may not increase the district's maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.

Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
